Appia Communications Recognized by CRN for the Fifth Straight Year

TRAVERSE CITY, MI, March 23, 2016: CRN recently announced that Appia Communications, Inc., placed on the Elite 150 of CRN's 2016 Managed Service Provider 500 (MSP500) list.

The MSP500 is an annual list which recognizes the top technology providers and consultants in North America whose cutting-edge approach to managed services puts end-user customers in the best position to improve efficiencies, cut costs and speed time to market for their own products and services.

"We are delighted to have earned a place on this list again this year," said Victor von Schlegell, Appia's president. "It's an award that comes as the result of the loyalty of our customers and the hard work our partners and staff have devoted to Appia's continuing success."
