

**NetPros Partners with Appia to Offer Communication and Networking Services | Founded by IT educators, Michigan-based NetPros is one of the newest tech consultancies to carry Appia's voice, video and networking services.**

GRAND BLANC, Mich. – March 10, 2010 – Appia Communications announced today that NetPros LLC of Michigan has joined Appia's rapidly-growing nationwide network of partners.

Based in Grand Blanc, NetPros will add Appia's proven solutions in voice, data, video and networking to its portfolio of services for local businesses and organizations.

"We are excited to be associated with Appia for three very good reasons," said Jeff Cleveland, an IT educator and owner of NetPros. "First, they are headquartered here in Michigan. Second, Appia is ranked one of the top managed service providers nationally by [MSPmentor](#). Third, their voice and data [services](#) will save our customers time and money."
