

Appia Partners with Enterprise Unified Solutions in Indiana Enterprise Unified Solutions will add Appia's full portfolio of services.

TRAVERSE CITY, MI – July 28, 2010 – Appia Communications today announced that Enterprise Unified Solutions of Indianapolis, Indiana, has joined Appia's rapidly-growing nationwide network of partners.

Appia is a leading provider of managed communication and network services to small and midsize companies and organizations.

"As an innovator in VoIP communications solutions for small and midsize clients, Enterprise Unified Solutions is a natural partner for Appia," said Jason Ulm, Appia's vice president for Channel Sales. "They can take full advantage of our product suite, which includes our recent expansion into Internet phone lines and MPLS networking."

"The decision to partner with Appia proves our commitment to providing our customers with a more complete and cost-effective solution," said Doug Sauer, President of Enterprise Unified Solutions. "Appia's wide portfolio of network services combined with our telecommunications solutions and exceptional customer service makes this a great solution for our customers."

Enterprise Unified Solutions is authorized to sell the entire line of Appia services including business VoIP, MPLS networking, Internet phone lines or SIP trunking, video conferencing, and managed services.
