

Appia Partners with Bryley Systems to Offer Managed IT and Telecom Services

TRAVERSE CITY, Michigan — January 3, 2008 — Appia Communications today announced that Bryley Systems has joined Appia's nationwide network of partners. Bryley Systems becomes the newest partner to join Appia, a leading provider of managed IT and telecommunications services to small and mid-sized companies and organizations.

"We're excited to welcome Bryley Systems as an Appia partner. Their established presence in the New England area will help us to continue to expand into this important market," said Jason Ulm, Appia's Vice President of Sales.

Now in its 20th year, Bryley Systems will add Appia's proven solutions in voice, data, video, and networking to its portfolio of services. "Appia's suite of managed services will enable us to deliver new and exciting technologies to our existing customers, and to offer a wider range of managed solutions to our prospective customers," said Gavin Livingston, President of Bryley Systems.
