

Appia Communications Partners with New Age Telecom to Offer Managed IT and Telecom Services

TRAVERSE CITY, Michigan — May 18, 2007 — Appia Communications today announced that New Age Telecom, Inc., of Laporte, Indiana, has joined Appia's nationwide network of partners. New Age Telecom becomes the newest partner to join Appia, a leading provider of managed IT and telecommunications services to small and mid-sized businesses.

"We're excited to welcome New Age Telecom as an Appia partner. Their established presence in northern Indiana and southern Michigan will help us to help us to continue our expansion into those important markets," said Jason Ulm, Appia's Vice President of Sales.

Now in its 20th year, New Age Telecom will add Appia's proven solutions in voice, data, video, and networking to its portfolio of services. "Appia's suite of managed services will enable us to deliver new and exciting technologies to our existing customers and to offer wide a range of IP telephony solutions to our perspective clients," said Ryan G. Seaburg, Operations Manager at New Age Telecom.

For more information about Appia's managed IT and telecom services, or about becoming an Appia partner, please contact Dan Swain, Regional Manager, at 574-707-7788 or by email at dan@appiaservices.com.

About Appia Communications

Appia Communications is a leading provider of managed IT and telecommunications services. Our mission is to enable small and mid-sized companies and organizations to realize the benefits of Internet Protocol (IP) technology. Our managed solutions help our customers to reduce costs, enhance employee productivity, improve customer care, and allow them to compete more effectively against much larger enterprises.

Headquartered in Traverse City, Michigan, Appia has operations in New York, Chicago, Los Angeles, Detroit, Indianapolis, St. Louis, and other markets in North America and Europe. For more information, please call 877-277-4297 or visit www.appiaservices.com.
