

Appia Phone Number Availability Spans the Globe | Customers can now order phone numbers from Europe, Latin America, and Asia

TRAVERSE CITY, MI - August 10, 2011 - Appia Communications, Inc., a leading provider of managed communication and network services, today announced international phone number availability for its hosted VoIP and SIP trunking customers.

"Appia customers can now expand their reach across four continents," announced Appia's president, Victor von Schlegell. "Whether you want to grow into new markets or reduce costs to remote offices, our SIP trunking and hosted services will take you there. London, Frankfurt, Singapore, or Rio de Janeiro ... we have you covered."

"Our customers can now leverage the Appia advantage across the global marketplace," said Jason Ulm, vice president of channel sales for Appia. "So a manufacturer in Columbus, Ohio can maintain a local presence in Brazil, and a designer in Dallas can connect with the fashion world in Milan using a local telephone number."

The countries where Appia provides local phone numbers include Argentina, Austria, Belgium, Brazil, Czech Republic, Denmark, Finland, France, Germany, Greece, Hong Kong, Hungary, Ireland, Italy, Mexico, Netherlands, Norway, Peru, Poland, Portugal, Singapore, Slovakia, Spain, Sweden, Switzerland, and the United Kingdom.
