

Appia partners with TeamLogic IT to offer managed telecom services in New Jersey

TRAVERSE CITY, MI – January 7, 2009 – Appia Communications announced today that TeamLogic IT of North Brunswick, New Jersey, has joined Appia's rapidly-growing nationwide network of partners. TeamLogic is one of the newest partners to join Appia, a leading provider of managed IT and telecommunications services to small and midsize companies and organizations.

"Appia's suite of services will provide a strong compliment to TeamLogic's offerings," said Jason Ulm, Appia's vice president of sales. "Our partnership will offer tremendous savings to our customers in New Jersey."

TeamLogic will add Appia's proven solutions in voice, data, video and networking to its portfolio of IT services. "We're always looking for ways to give our customers more value," said Jibu Mathews, the owner and operator of the North Brunswick branch. "Partnering with Appia will give us more ways to cut costs, simplify operations, and provide reliable peace of mind for our clients."

For more information about Appia's managed services, or about becoming an Appia partner, please contact Rich Pellichero, regional manager, at 508-570-4958 or rpellichero@appiaservices.com.

About TeamLogic IT

TeamLogic IT is a nationwide network of computer consultation, maintenance and repair businesses offering state-of-the-art technology solutions through consulting services, a portfolio of service packages, and a wide array of day-to-day IT service and repair offerings. The company addresses the needs of most computer networks and systems and becomes the "IT Partner" for the small and medium-sized business owner.

About Appia Communications

Appia Communications is a leading provider of managed IT and telecommunications services, enabling small and midsize companies and organizations to benefit from Internet Protocol technology for far less than the cost of an in-house implementation. Appia's managed solutions help customers reduce costs, enhance employee productivity, improve customer care, and compete more effectively against much larger enterprises.

Headquartered in Traverse City, Michigan, Appia has operations in Boston, Chicago, Detroit, Indianapolis, Los Angeles, New York, St. Louis, and other markets in North America and Europe. Appia was named to Inc. magazine's list of America's fastest-growing private companies in both 2007 and 2008. For more information, please visit www.appiaservices.com or call 877-277-4297. Appia is a Cisco Powered Network and holds advanced Cisco communications certifications.
